RE: Application for Non-Resident Temporary License to Carry Firearms

Dear Applicant:

All new and renewal non-resident temporary licenses to carry (LTC) firearms in Massachusetts are issued through the Massachusetts Instant Record Check System (MIRCS). MIRCS is a computer based application used to manage, process, and monitor firearms licensing statewide.

Effective January 1, 2017, The Department of Criminal Justice Information Services (DCJIS) implemented a procedural change to the application process. Specifically, the requirement for an in-person appearance at the Firearms Records Bureau (FRB) will only be required once every six years. **You will still need to renew your LTC annually**, however the application will be processed solely by mail until the next required in-person appearance.

All first time applicants and certain renewal applicants must appear in-person at: Massachusetts Department of Criminal Justice Information Services, Firearms Records Bureau, 200 Arlington Street, Chelsea, MA 02150.

If an in-person appearance is required, you will receive a notice by mail or email with your scheduled date and time to appear at this office. Appointments will be scheduled in the order that completed applications are received.

Please apply for renewal at least 90 days in advance to allow time for processing.

Pay close attention to the updated application instructions and complete the application accurately. A mistake on the application or omission of required documentation will result in a delay in the application process or a denial of the application. *Please take note of the enclosed explanation of applicable license restrictions.*

Thank you,

Michaela Dunne

RE: Restrictions for Non-Resident Temporary License to Carry Firearms

The Firearms Records Bureau (FRB) may apply certain restrictions on a non-resident temporary license to carry (LTC) firearms. These restrictions detail the terms and conditions that govern the possession of a firearm under the license pursuant to G.L. c. 140, §131F.

The following restrictions may be applied to a non-resident LTC:

NONE – the LTC is issued for all lawful purposes with no restrictions. Applicant must show good reason to fear injury to his person or property.

EMPLOYMENT – restricts possession to a business owner engaged in business activities or to an employee while engaged in work related activities, and maintaining proficiency, where the employer requires carry of a firearm (i.e. armored car, security guard, etc.). Includes travel to and from activity location.

TARGET & HUNTING – restricts possession to the purpose of lawful recreational shooting or competition; for use in the lawful pursuit of game animals and birds; for personal protection in the home; and for the purpose of collecting (other than machine guns). Includes travel to and from activity location.

SPORTING – restricts possession to the purpose of lawful recreational shooting or competition; for use in the lawful pursuit of game animals and birds; for personal protection in the home; for the purpose of collecting (other than machine guns); and for outdoor recreational activities such as hiking, camping, cross country skiing, or similar activities. Includes travel to and from activity location.

Restrictions are based upon the information provided in the license application. Please ensure that you provide a detailed reason for requesting the issuance of a license in Massachusetts. Include information regarding how and where you intend to possess or use a firearm, as well as your knowledge of Massachusetts firearms laws and information about your firearms training.

A LTC may ONLY be issued to a non-resident, non-citizen (alien) for the purpose of firearms competition.

If you have any further questions please contact the FRB at (617) 660-4782.
